Partnership Walk is a public event to raise awareness about global poverty & bridge Americans' spirit of generosity by reaching out to uplift people living in extreme poverty. Inaugurated in 1995, Partnership Walk has expanded to 9 major cities across the U.S., including Atlanta, Birmingham, Chicago, Dallas, Houston, Los Angeles, Memphis, Orlando, & San Francisco. A major feature of the Walk is the Village in Action with interactive exhibits designed by participants from local communities. The Village in Action showcases the impact of the Foundation's projects & provides visitors with a pathway to be engaged as global citizens.

Join the 7000 people expected to attend this year's Partnership Walk at Centennial Olympic Park in downtown Atlanta. Demonstrate your support for ending global poverty.
